The Perry is a sanctuary of luxury and conscientious design perfectly situated at Avenue and Davenport, Toronto's most sophisticated and vibrant neighbourhood.

The building houses a rare collection of only 45 suites, each a fitting tribute to spaciousness and architectural refinement, with dramatic views of Ramsden Park and the Downtown skyline.

The boutique amenities offered to the building's intimate community include a library, private dining, piano lounge and serene garden.

Naturally, residents' security and convenience are of utmost importance, with full service concierge and valet available 24 hours a day, 7 days a week.

We invite you to experience The Perry.
